06/2019 - 12/2022

Experience

Engineering OJT Intern (Conducted by) Kritipur Sec. School, Kritipur, Kathmandu

04/2022 - 10/2022

National Education Board, NEB)

- Assisted in site surveys, construction supervision and material testing for ongoing projects.
- Prepared technical drawings, project documentation, and cost estimates.
- Supported the team in ensuring compliance with safety standards and construction regulations.
- Enhanced skills in project planning, technical reporting, and teamwork.

Projects

Personal Portfolio Website

- Developed responsive site using HTML, CSS, JavaScript
- Showcases education, skills, projects, and contact form
- Hosted on GitHub Pages with continuous integration via GitHub Actions

Ivy Apparel (E-commerce Clothing Website)

- Built a dynamic online clothing store using PHP, CSS, and JavaScript
- Implemented user registration and login with session handling, product browsing, and a shopping cart
- Designed a responsive, user-friendly interface for desktop and mobile screens
- Used JavaScript for interactive features and client-side validation

Java Swing Car Rental System

- Implemented full GUI: login, signup, browse available cars, rent & return
- Managed multi-user sessions; tracked which user rented which car
- Learned MVC pattern and event-driven programming

Socket-Based Chat Application (Java + Swing)

- Built client & server in same Swing window with separate send/receive panels
- Handled multi-threaded socket connections for real-time messaging
- Implemented message logging and UI updates on Swing event dispatch thread

Skills

Proficiency in software or tools: VS Code, Git & GitHub, NetBeans, Django, AutoCAD, MATLAB, SPSS

Proficiency in software or tools: VS Code, Git & GitHub, NetBeans, Django, AutoCAD, MATLAB, SPSS

Programming Languages: 🐍 Python, 📄 JavaScript, 🇨 C, ☕ Java, ☕ Advanced Java, 🇳🇵 .NET, 📱 Mobile Programming, 🌐 Network Programming, 📄 HTML, 🎨 CSS

Soft skills: Teamwork and collaboration, Communication and presentation, Problem solving and analytical thinking, Time management and organization

Languages: Nepali (native), English (proficient)
